

Self – Undertaking

I hereby undertake that notwithstanding the fact that OCI is a multiple entry lifelong visa for visiting India for any purpose, I am aware that even if I am issued OCI card, I will require a special permission to undertake research work in India for which I am required to submit the application separately to the Indian Mission/ Post/ FRRO concerned. In the event of my future visit/travel to India to undertake research work(s) with my OCI card, I undertake to invariably obtain such permission from the concerned authorities of the Government of India.
