For information about your visa, scan this code using your smart phone.

## **Australia has a modern electronic visa system that enables you to check your visa details online.**

Your Australian visa record is linked to your passport or ImmiCard.

For more information, visit [www.border.gov.au/aboutyourvisa](http://www.border.gov.au/aboutyourvisa).

Visa Entitlement Verification Online (VEVO) is an online service that provides current information about your visa including:

- class and subclass
- grant and expiry dates
- grant number
- allowed entries into Australia
- all conditions that apply to your visa.

With your consent, your visa conditions may be checked using VEVO by your employer, bank, Medicare, Centrelink, education provider or other organisation.

myVEVO is a free mobile app, allowing you to check your visa details and email them from your mobile.

Download myVEVO so you can check your visa details wherever you go.
