In case the visa application has to be submitted to the Home Office in Brussels, the processing time will be approximately an **additional** four (4) working weeks.

The verification of the submitted documents can delay or impede the issuance of the requested visa. These delays depend exclusively upon the organization that issued the documents and how responsive they are to queries.

When entering the Schengen territory, the Immigration Authorities may want to see any of the above-mentioned documents and/or proof of sufficient funds. If you cannot provide these, you risk being sent back with the next flight, since you do not meet the conditions to enter the Schengen territory any more.

Any false statements or documents will lead to your application being rejected. Please note that an incomplete file may lead to a visa refusal.

If you stay at a hotel, a legally required daily provision of at least **95 Euros per day** should be at your disposal (on top of the daily hotel charges).

If you stay at a private residence/house a legally required daily provision of at least **45 Euros per day** should be at your disposal

A complete file does not either guarantee the issuance of a visa. Additional documents may be required to substantiate your visa request.
