

PASSPORT ISSUE/RE-ISSUE

N.B. APPLICANT MUST COME IN PERSON

Version: 08/10/2015

In compliance with the regulations of International Civil Aviation Organisation (ICAO), only machine readable printed passports are now to be accepted for international travel.

Indian Passports are generally issued with a validity of 10 years (except in the case of children up to the age of 15 years where it is issued for a validity of 5 years). Their re-issue thereafter involves the issuance of a new passport. Wherever any change are required in personal particulars pages of the passport, a new passport needs to be obtained as the practice of hand written endorsements in the existing passport no longer exists.
