

Please note: The photograph should have a White background

too close

too far away

blurred

ink marked/creased

looking away

unnatural skin tones

too dark

too light

washed out colour

pixelated

Photograph Quality

The photographs must be:

no more than 6-months old
35–40mm in width

close up of your head and top of your shoulders so that your face takes up 70–80% of the photograph

in sharp focus and clear

of high quality with no ink marks or creases

The photographs must:

show you looking directly at the camera

show your skin tones naturally

have appropriate brightness and contrast

be printed on high quality paper, and at high resolution

Photographs taken with a digital camera must be high quality colour and printed on photo-quality paper.

Style and lighting

The photographs must:

be colour neutral

show your eyes open and clearly visible—no hair across your eyes

hair across eyes

eyes closed

show you facing square on to the camera, not looking over one shoulder (portrait style) or tilted, and showing both edges of your face clearly

portrait style

eyes tilted

be taken with a plain light-coloured background

be taken with uniform lighting and not show shadows or flash reflections on your face and no red eye

busy background

not centred

Glasses and head covers

If you wear glasses:

the photograph must show your eyes clearly with no flash reflection off the glasses, and no tinted lenses (if possible, avoid heavy frames—wear lighter framed glasses if you have them)

make sure that the frames do not cover any part of your eyes.

flash reflection on skin

redeye

Head coverings:

- are not permitted except for religious reasons, but your facial features from bottom of chin to top of forehead and both edges of your face must be clearly shown.

shadows behind head

shadows across face

Expression and frame:

dark tinted lenses

flash reflection on lenses

Your photographs must:

- show you alone (no chair backs, toys or other people visible), looking at the camera with a neutral expression and your mouth closed.

frames too heavy

frames covering eyes

wearing a hat

wearing a cap

face covered

shadows across face

shows another person

mouth open and toy too close to face
