**HIGH COMMISSION OF MALAYSIA**  
**ABUJA, NIGERIA**

The High Commission of Malaysia wishes to inform the public that all **first time travellers** must strictly adhere to the **National Drug Law Enforcement Agency (N.D.L.E.A) Certificate**.

Also every traveller from, or in transit directly to Malaysia, is required to have a valid new **International Certificate of Vaccination and Prophylaxis (Yellow Fever Vaccination Card)** with advanced security features, produced by National Primary Health Care Development Agency. The card must proof that yellow fever vaccination has been administered at a World Health Organisation (WHO) approved Yellow Fever Vaccination Centre at least **ten (10) days** prior entering Malaysia.

Thank you.
