

Applications are assessed individually and time frames may vary, therefore you are kindly requested to wait until a decision on your application is taken and is ready for collection, as VFS Global cannot control or influence the processing times in any way.

The onus is on the applicant to ensure that they have met the requirements for the application in which they have chosen to apply for and to ensure all documents as per the checklist have been submitted. You will not be able to submit further documents once your application has been submitted at the Visa Facilitation Centre. The documents that you submitted at the time you lodged your application will be the only documents that will be considered.

I have read and understood the above and wish to continue with my application.
