Official document from the receiving medical doctor or medical institution in Greece confirming that the applicant will receive medical treatment in that institution. Pre-payment or other proof of sufficient financial means or arrangement made to cover the medical treatment and related expenses, such as insurance coverage.	
	Recent Salary Certificate from local sponsor stating the applicant's, designation, salary and duration of employment with the company. Note: Salary certificate must be signed by the authorized signatory	

Please note:

- The visa must be applied for in person.
- For children registered in a parent's passport, a separate application form has to be submitted.
- Original documents must be presented for verification; additional photocopies may be required
- The Embassy of Greece has a right to ask any other **additional documents**, or may call the applicant for an interview if the visa application is refused, the reason will be provided in the refusal form. No further explanation will be given to the applicants. In all cases the visa fee and Service fee are non-refundable.

Declaration

I have been informed that an application without a complete set of documentation according to above mentioned checklist may result to the rejection of my visa application. The Embassy of Greece reserves the right to ask for an additional supporting document and does not guarantee the issuance of visa.
