

Digital Photography Service

Avoid any inconvenience and get photographs with correct specifications of The High Commission of India, Australia, in a 3 simple steps.

1. Take a photograph on your smart phone.
2. Email your image to photo.inau@vfsglobal.com
3. Give us your details, to link your photograph with your application.

Note: This option is only available to applicants lodging via Express post/courier

When emailing your image, please:

- Hold the phone Horizontally not Vertically
- Take the photograph against a White background with no shadows over the face or in the background.
- Ensure both ears to be visible with hair tied/held back.
- Photograph should be taken mid-shoulder upwards, while facing the camera, with a non-smiling expression.
- Photograph must be in a JPEG format only.
- Photographs with glasses are not accepted for Indian services; glasses must be removed before taking a photograph.

When emailing your photograph, please provide below information:

- Name of the applicant
- Passport number
- Application category
- IPVSC where application has been sent by Express post/courier, based on your jurisdiction.
- A scanned image/photograph of your passport's data/bio/photo page.

Things to remember:

- Emailing your photograph is accepted as consent.
- A non-refundable fee of AUD 17 for 4 photographs, per applicant, will be charged to your provided credit card for this service.

Note: Australia post photo size of 3.5mm X 4.5 mm is not correct or an acceptable size for Indian services.
