

## COVID-19 - SITUATION IN ITALY

### VERY IMPORTANT

In accordance with the provisions of the” **Presidenza del Consiglio dei Ministri**” decrees of 8, 9 and 11 March 2020, which defined urgent containment measures to tackle the outbreak of the Covid-19, we underline that the restrictions of movement will be applied also to all non-resident foreigners present in Italy, with the exception of those who travel for reasons of work, health or urgent circumstances.

With the so called “I stay home” decree the following rules are enforced all over Italy:

- All public gatherings are strictly banned in public places or places open to the public.
  - All events and sport competitions are called off, except for closed doors international ones.
  - All ski resorts are closed.
  - All events – included cultural, recreational, sport, religious, and trade-fair events – are called off.
  - All activities in child-care centers, schools, and universities are called off.
  - All civil and religious ceremonies, funerals included, are called off.
  - All commercial and business activities are called off with the exception of grocery stores and supermarkets, pharmacies, banks, petrol and gas stations and tobacconists.
  - All activities at gyms, sport centers, swimming pools, spas and health resorts, recreational and community centers are called off.
  - All driving license exams at Provincial Motor Vehicles Offices are called off.
- All movements of people (goods are exempted) must be avoided other than “for documented work needs, emergencies, or health reasons.”**
- People who, for any reason, are not in their municipality of residence, are allowed to go back home.
