

## Payment Method Instruction

### Bank Transfer

The information provided in this document is especially for visa applicants who wish made a Bank Transfer to PT VFS Services Indonesia (hereinafter referred to as VFS) to proceed the pick up and return their processed documents via courier from and to the applicants' preferred address in Indonesia.

VFS thank you for making sure that the below steps are properly followed:

1. Kindly be informed that there are bank fees charged by the bank for your transaction:
  - a) Issuing Bank (for domestic and international transaction):  
A certain amount of bank fee might be charged for your outward transfer. Kindly ask your bank to get the accurate information on this fee.
  - b) Recipient Bank (for international transaction):  
Based on the bank regulation, a fee of IDR 50,000 per transaction charged for inward international transfer at the recipient bank. This bank charge is over and above the visa processing fee.  
Kindly add the amount to the total fees to be transferred to VFS.
2. These bank fees where applicable are over and above the total visa application process fee.
3. The grand total of fees for visa, VFS Logistic, international bank transfer and other optional value added services opted may be combined and paid at once, in IDR only.
4. If you would like to complete the payment from outside of Indonesia, please be informed that there would be a difference in the daily exchange rate, therefore kindly ask your bank to make sure that the payment would reach VFS official account in the **full amount in IDR**.
5. Kindly be advised that a shortage in payment will cause a delay in the visa processing time.
6. In general, domestic bank transfer between different banks and international bank transfer would take around 1 to 5 working days to be successfully completed.
7. Bank transfer is addressed to:

PT VFS SERVICES INDONESIA  
STANDARD CHARTERED BANK, SUDIRMAN, JAKARTA  
306-0897993-4  
Bank Code: 050  
Currency: IDR

Should you/your sponsor/immigration advisor would like to complete the payment from outside of Indonesia (international transaction), you would be required to provide a SWIFT code: SCBLIDJX.

It is very important that the details above are captured accurately. Inaccurate bank details, no matter how small, will result in your transaction being rejected by the recipient Bank and returned to you.

8. To complete the transaction, you may be requested by the bank to provide the beneficiary's address. Below are the details for your reference:
