Travel and medical insurance: All applicants must submit a valid travel insurance. The travel insurance must cover the entire Schengen area and must have a minimum cover of at least EUR 30,000 for both medical treatment and repatriation (also including repatriation of mortal remains). Please note that many policies are invalid if they do not cover you from departure from Australia until return to Australia, see below. NB! Invalid insurance may cause rejection of your application.

Policy requirements			Documentation required to allow consideration of the policy			
Name of Insurance Company	**Policy plan**	**Return policies must cover from departure from Australia until return to Australia**	**Proof of eligibility**	**Policy Certificate /Currency Certificate**	**Product Disclosure Statement (PDS) –table/schedule of benefits**	**References to page numbers in the PDS detailing eligibility, requirements and cover in Euro or AUD for medical expenses and for repatriation of mortal remains**
