I hereby confirm that I personally have submitted this application for a visa that all information stated in the application and the supporting documentation is true. I am aware that providing incorrect information or falsified documents deliberately are punishable acts by both Ghanaian and Norwegian law and will lead to refusal of visa. I have been informed that the case processing time will increase if the application submitted is incomplete and the immigration authorities have to obtain further documentation. I have also been informed that there is an increased risk of the visa application being rejected if the requested information is not provided within the deadline stipulated by the immigration authorities.
