

## Study Visa (Short stay)

For people who are going to study in Belgium for less than 90days.

### IMPORTANT INFORMATION:

The duration of the presented flight reservation and insurance must always correspond.

In case of different or contradictory information, the embassy will issue a visa with a validity based on the shortest period of these 2 documents.

Starting date of the validity of the visa will always be the starting date of the initially presented flight reservation.

Documents in Farsi language only are not accepted for the treatment of your visa file; only translated documents will be taken into account.

The Farsi documents need to be translated by a sworn translator into one of our national languages or into English.

In case the authorization to issue the visa arrives after the initially planned departure date, you will be contacted by the embassy.
