➤ **Important Remark:-**

Attention!Guarantees for return (assessment of migration risk):the applicant is requested to provide as much information as possible to document his/her family background, professional and socio-economic status, ownership of land or real estate (for instance : proof of family bonds with his/her country of origin, proof of regular income and stable source of revenues from the applicant and/or his/her partner, proof of property, etc.)

This information is essential to correctly judge the intention of the applicant to leave the Schengen area before the expiry of his/her visa.

Please note:

AT THE TIME OF COLLECTION OF THE VISA (IF GRANTED):

- **Actual flight ticket** (nonrefundable and non-transferable).

DOCUMENTS SHOULD MEET THE FOLLOWING REQUIREMENTS:

- The documents presented must be **recent originals**, plus one (1) photocopy of each of the documents.
- Official foreign documents must be **legalized** or bear an **apostille**, unless a treaty provides for the exemption of the legalization process.
- If the documents are not in French, Dutch, German or English, the documents must be **translated** into one of these languages by a certified translator. This translation must also be legalized as a separate document according to the procedure in place in the country where it has been made and subsequently by the Belgian embassy or consulate competent for this country/area.

Please note that, based on the content of the documents produced, **additional documents** may be required.

These must be produced to the Embassy within a month. If not, the application file is definitively closed and the person concerned must introduce a new application if he/she still wishes to go. If extra documents are required, the applicant will normally be informed of this within a few days of the introduction of his/her application.

In order to let the visa section work as efficiently as possible, the Embassy would be grateful if applicants could refrain from contacting the Embassy immediately after the introduction of their file and wait for a week to do so in case they have not heard from the Embassy by then.

The Embassy may have to **refer the application to the Immigration Office in Brussels** (Chaussée d'Anvers/Antwerpsesteenweg 59B, 1000 Brussels, Tel.: +32 (0)2 793.80.00, helpdesk.dvzoe@dofi.fgov.be, <http://www.dofi.fgov.be>). Such a referral may result in a, sometimes considerable, delay in processing your application. When a file has been sent to the Immigration Office in Brussels, the applicant can follow the handling of his/her file on this administration's website, under « où en est ma demande de visa / hoe zit het met mijn visumaanvraag » by keying in the name of the town where the embassy/consulate where he/she applied is located (Doha) and his/her file number.

The **consular tax** is paid in cash in Qatari Riyals at the time of application. It covers the handling of the application and cannot be refunded in any case (i.e. refusal, withdrawal of application, file closed because applicant didn't produce the required documents within a month).

Please note that when the applicant does not stay in a hotel (but, for example, stays at a private address), he/she is required to **report him/herself at the municipality where (s)he is staying within 8 days of his/her arrival.**

IMPORTANT NOTICE: a visa (or authorization of temporary residence) does not create a right to enter the Belgian/Luxembourg territory. Its holder must keep with him/her all the documents that were produced in order to obtain the visa. The production of these documents may be required at the immigration control. Failing to produce them may result in a denial of entry.
