Such data as well as data concerning the decision taken on my application or a decision whether to annul, revoke or extend a visa issued will be entered into, and stored in the Visa Information System (VIS) for a maximum period of five years, during which it will be accessible to the visa authorities and the authorities competent for carrying out checks on visas at external borders and within the Member States, immigration and asylum authorities in the Member States for the purposes of verifying whether the conditions for the legal entry into, stay and residence on the territory of the Member States are fulfilled, of identifying persons who do not or who no longer fulfil these conditions, of examining an asylum application and of determining responsibility for such examination. I am aware that any false statements will lead to my application being rejected or to the annulment of a visa already granted and may also render me liable to prosecution under the law of the Member State which deals with the application.

I undertake to leave the territory of the Member States before the expiry of the visa, if granted. I have been informed that possession of a visa is only one of the prerequisites for entry into the European territory of the Member States. The mere fact that a visa has been granted to me does not mean that I will be entitled to compensation if I fail to comply with the relevant provisions of Article 6(1) of Regulation (EU) No 2016/399 (Schengen Borders Code) and I am therefore refused entry. The prerequisites for entry will be checked again on entry into the European territory of the Member States.
