## Please note:

- It is recommended to apply as early as possible. The application can be lodged up to 6 months before the planned trip.
- The standard processing time for the decision on visa applications is 15 working days. If in individual cases an extended review is carried out, the processing time may be extended to 45 calendar days. The application should be submitted at least 15 working days before the planned trip.
- Documents should be sorted according to this list.
- All documents should be attached to the visa application in copy.
- > Original documents should be submitted, too. They will be returned with the passport.
- > Documents in Dhivehi must be presented with an official English or German translation.
- In addition to the above mentioned documents the Embassy may request you to furnish further documents.

- Applicants are obliged to provide all information necessary to proof their case and therefore are advised to submit only complete applications. Incomplete applications may be refused.
- False statements in the visa process will lead to the rejection of the application.

## VAC official to select as appropriate:

- The intended date of departure is in less than 15 working days. The applicant has been informed that the processing time may be of up to 15 working days. Nevertheless the applicant insisted on lodging the application. He was informed that the final decision might be taken after the intended date of departure.
- The applicant has confirmed that he/she has no documents to submit other than those listed above.
- The applicant has submitted the supporting documents above. I have advised him/her that failure to submit all necessary documents may result in the refusal of the application. The applicant has chosen to proceed with the application nevertheless. The following documentation is missing/incomplete:

Place, date	Signature VAC official
	Signature of applicant *

<sup>\*</sup> signature and organisation/relationship to the applicant, in case of authorised third party handing in the documents
