Dear Applicant,

A complete application is a crucial step for a fast processing of your visa.

Please choose one of the following options, tick off the desired choice and sign this confirmation letter.

I have been informed that I lack to submit supporting documentation for the type of visa I require (based on the according checklist). I acknowledge this shortfall, hence:

- ☐ I wish to complete my visa application and will be coming back before 16:00 today with the missing document/s to resubmit my application.
- ☐ I have decided not to submit my application this time because of the lack of documents. I will complete the requirement and am willing to postpone and re-book the appointment.
- ☐ I decided to submit my application even though there are lacking documents. I am also aware that there is a risk of my application being rejected.

The processing time for a Visa application is 15 calendar days according to Visa Schengen Code if the application is complete and all requested documents have been submitted. Requests for additional documents and/or need of interviews or other issues will extend this period up to 45 days.

- ☐ Processing time is less than 15days

I, the applicant declare that I have received back my original documents, which I had showcased as evidence to the VFS counter staff.

For administrative use only in case of complete documents:
