

## **UNDERTAKING FOR DUPLICATE PASSPORT/EC**

I am applying for issue of a duplicate passport in lieu of my

Passport No. \_\_\_\_\_ dated \_\_\_\_\_ issued

at \_\_\_\_\_ has been lost/stolen/damaged

on \_\_\_\_\_. The new passport will enable me to obtain/regularise my visa/stay in UK and travel to India/abroad. I fully understand that in case I lose the Passport again, I will not be granted further passport facilities and instead I will be issued with only one way travel document (Emergency Certificate) for travel to India. I am also aware that my above- mentioned passport will be cancelled by the High Commission of India, London.

I understand that submission of Original Police Report of the lost passport is mandatory for getting duplicate passport.

I also understand that my lost passport will be cancelled in Indian Passport data system and I will not be able to use this passport again for travel purposes.
