USEFUL TIPS FOR FILLING OCI APPLICATION ONLINE

1. Please ensure that you have all the supporting documents in pdf and photo/signature in JPEG format as per specifications before starting online application.
2. Fill all the details in the application very carefully and exactly as per documents. Please ensure that all the details like full names, date of birth, place of birth are exactly as per current passport. Please note that the date of birth, if different from the one mentioned in the last held Indian passport, is not acceptable.
3. Upload all the supporting documents under their correct category / equivalent category (e.g. Birth Certificate can be uploaded under Relationship category). If you are unable to find suitable category to upload the document, please upload all the remaining documents (including any legal document) under current passport category along with current passport. **MOST IMPORTANT IS TO UPLOAD ALL THE SUPPORTING DOCUMENTS.**
4. Kindly check all the details of the OCI application once printed. In case photo/signature and documents are not uploaded properly, these can be uploaded easily by selecting appropriate option (Re-upload image/upload/re-upload documents) available on the website.

Please note that the file reference number required to re-upload photo/signature/documents is written vertically on left side and also below the bar code at the bottom of first page of application form submitted online.

5. In case any information is wrong, please fill the form again.
