

SUBSISTENCE TABLE FOR THE DURATION OF STAY

| Duration of stay (days) | Funds required (EURO) |
|----------------------------|--------------------------|
| Day 1 – 5 | 269,60 |
| 6 | 314,53 |
| 7 | 359,46 |
| 8 | 404,39 |
| 9 | 449,32 |
| 10 | 494,25 |
| 11 | 582,56 |
| 12 | 619,23 |

| | |
|----|----------|
| 13 | 655,90 |
| 14 | 692,57 |
| 15 | 729,29 |
| 16 | 765,91 |
| 17 | 802,58 |
| 18 | 839,25 |
| 19 | 875,92 |
| 20 | 912,59 |
| 21 | 1.119,17 |

* For stay exceeding 21 days, add to the above 21 day figure plus 27,89 Euros for each day.

For example: for a duration of 23 days, the fund required will be calculated as follows

$$1.119,17 + 27,89 \times 2 = 1.174,95 \text{ (EUR)}$$

* The amount in VND will be subject to changes in exchange rate from time to time.

* Please be noted that the above table is required by Schengen regulations. The Italy Consulate may request more financial proofs if necessary. The availability of the minimum cost of stay required above does not necessarily imply or guarantee that the visa will be granted, but that is part of the requirements established by the Italian legislations on Immigration. The final decision lies within the Italian consular authorities.
