I hereby grant my explicit consent to Identità to complete the necessary background checks and relative verification performed in the course of the visa application process. I acknowledge that Identità engages an external service provider to perform administrative and non-judgmental tasks related to the entire lifecycle of the visa application process. I further acknowledge that, as part of its duties, the external service provider shall perform the dynamic background checks on Identità's behalf, wherein it may consult authorized third parties, databases and other sources, including but not limited to, public sources, such as the internet, and returning relevant information to Identità by reference to the information I have provided in my D-Visa application.

Such data as well as data concerning the decision taken on my application or a decision whether to annul, revoke or extend a visa issued will be entered into, and stored in the Visa Management System known as (VMS) or National Visa Management System (NVMS) for a maximum period of five years, during which it will be accessible to the visa authorities and the authorities competent for carrying out checks on visas at Malta's external borders within Malta, immigration and asylum authorities in Malta for the purposes of verifying whether the conditions for the legal entry into, stay and residence on the territory of Malta are fulfilled, of identifying persons who do not or who no longer fulfil these conditions, of examining an asylum application and of determining responsibility for such examination.
