

## Digital sponsorship and invitation form

**On Monday 13th January 2025 a digital sponsorship and invitation form was made available to individuals, companies, and organisations wishing to sponsor visa applicants to Norway.**

The sponsor can now verify their identity by using their Norwegian electronic ID to access **ID-porten** for individuals or **Ansattporten** for representatives of companies and organisations. However, to represent a business and act as a sponsor in visa cases, the user needs to have been given permission in [Altinn](#) by the business administrator.

The paper version of the sponsorship form will continue to be available alongside the new digital version.

For more information about sponsoring or inviting a visa applicant to Norway visit UDI's [Sponsor for visitors](#) page.
