This checklist refers to the documentation to be presented at VFS Global Visa Application Centre in Singapore for an application for a national visa for temporary stay in Portugal (<u>more than 3 months and less than 1 year</u>). Temporary stay visas allow entry and stay in Portugal for less than a year. Temporary stay visas are valid during the entire stay and allow for multiple entries. In addition to the documents listed below, the following general requirements must be observed: - The applicant is a legal resident of Singapore; - One separate set of documents is required for each individual applicant; - Visa applications should be submitted in advance to ensure time for competent authorities to make a decision. - The deadline to decide on a temporary stay visa application is 30 days. - All documents must be provided in English or Portuguese, unless specifically required. - Necessary documents being considered admissible as well as the payment of the visa fee for the administrative processing of the visa application does not entail a visa being granted, nor does it entail a refund in case of refusal. Failure to submit all the necessary documents may lead to the rejection of the visa application. The Embassy of Portugal in Singapore reserves the right to request documents other than those mentioned above whenever deemed convenient. Refusal of the visa application shall not entitle to a reimbursement of the visa fee.
