

This checklist refers to the documentation to be presented at VFS Global Visa Application Centre in Singapore for an application for a national visa for residence in Portugal (intended stay of more than 1 year).

Residency visas allow two entries and are valid for a period of 4 months. During that time, the holder of a residency visa is required to request a residency permit with the Immigration and Border Services (SEF).

In addition to the documents listed below, the following general requirements must be observed:

- The applicant is a legal resident of Singapore;
- One separate set of documents is required for each individual applicant;
- Visa applications should be submitted in advance to ensure time for competent authorities to make a decision.
- The deadline to decide on a resident visa application, except in circumstances stipulated by law, is 60 days.
- All documents must be provided in English or Portuguese, unless specifically required.
- Necessary documents being considered admissible as well as the payment of the visa fee for the administrative processing of the visa application does not entail a visa being granted, nor does it entail a refund in case of refusal.

Failure to submit all the necessary documents may lead to the rejection of the visa application. The Embassy of Portugal in Singapore reserves the right to request documents other than those mentioned above whenever deemed convenient. Refusal of the visa application shall not entitle to a reimbursement of the visa fee.
