

Temporary suspension of issuing entry visas to Russia for citizens of Iran

According to the decision of the Government of the Russian Federation, the Embassy of the Russian Federation located in Singapore **temporary suspends** issuing **Tourist, Private, Work and Study visas** for all Iran citizens (including Singapore Permanent Residents) in connection with COVID-2019 pandemic in this country.

In this connection NO visa applications for the above-mentioned visa types should be accepted from Iran passports holders (including Singapore Permanent Residents) until further notice or special instruction from the Embassy of the Russian Federation.

Applications for **Official, Business and Humanitarian visas** can be processed as usual. Please be reminded that a valid PR IC is required for Iran nationals to apply for a visa in Singapore.

Citizens of Iran might be refused entry to Russia by Russian Immigration even if they hold a valid visa.

Visa issuing suspension is a temporary measure forced by unpleasant epidemiologic situation in Iran and it will be cancelled when the situation gets better.
